

Tim and Carol Prewitt
Missionaries for World Reach

July 5, 2006

Dear Friend and Partner:

Tim leaves September 12 for Albania for ministry with our resident staff serving in that strategic country. While there, he will officiate in the celebration of the third anniversary of our church plant in Tirana!

While in that theatre, he will take a survey trip to Macedonia to consider future church planting ministry in that neighboring country. The mission has been asked to start a church there among the Albanian community of Macedonia. Should this occur, this will be the eleventh country served by the mission!! Much more on this potential new field as it continues to unfold.

Tim's October schedule will include trips to Colombia and El Salvador!
(Exact dates soon.)

Meanwhile, he, Carol and Timothy (grandson) leave July 20th for ministry in Peru!

Thanks for friendship and partnership with us in the greatest enterprise of all,
World Evangelization!

With much Gratitude in Christ,

Tim and Carol
