

Fall 2011

Happy Acres Mission Transit Center

*“...the LORD gave, the LORD hath taken away; blessed be the name of the LORD.”
Job 1:21b*

The LORD Gave:

How very grateful we are for all the Lord has blessed us with since we last wrote to you!

In July, we shared with you a critical financial situation we were facing. Since that time our Lord has used several of you to meet the needed amount of additional support to get through the summer. We realize these additional needs are going to continue, but we are trusting the Lord to meet them as that time arrives.

We were also blessed with some new volunteers during these past couple of months. Ben & Josh Fox (above) were a big help with some grounds

work while their mother and cousins were helping clean the mission!

The clothes closet is always in need of helpers. Gladys Le-Pone and Alleen Dixon are unable to keep up with all the sorting of clothes. We appreciated Kim & Sarah Foushee volunteering their time as well!

Tom's favorite pastime (gardening) paid off as we were blessed with good crops this year, allowing us not only to can and freeze a lot, but

also share with many of our friends!

Finally, we have also been blessed with an extremely

busy time at the mission this Fall. We have had many families here, as well as, several youth groups who

came for mission projects at smaller churches in the area. Each of them also enjoyed some "fun" time in Atlanta.

Tammy Young Bennett (1963-2011)

The LORD hath taken away....

One never expects to bury their own child, and yet we found ourselves in this position. On September 1st, Tammy (48) passed away peacefully in her sleep from an apparent heart attack. During her funeral ser-

vice we were reminded that life is a vapor and challenged to continue making each day count for our Lord. Our hearts are truly saddened and yet our trust is in our Heavenly Father. Because of His grace and mercy, we can continue to say "Blessed be the name of the Lord!"
