

TEEN/Junior Boot Camp - June 18th - 23rd
CIT - June 18th - June 30th

REGISTRATION BEGINS TODAY AND ENDS SUNDAY,
NOV. 6TH*

You can register by printing out the attached registration form which has been modified to fit our church's week specifically. This same form was passed out in the YG Wednesday night, so if your teen gave it to you, it'll save you the step of printing this one out. Once you fill out the form, please attach a check made out to Lebanon Baptist Church for the deposit of \$50 PER CAMPER. The final payment in full will be due this spring, but YOU MUST include the deposit check with your registration by **Sunday, Nov. 6th***. If you'd like to make the full payment now, that is no problem, just make the check out based on the amounts shown on the registration form based on your child/teen's age group.

**Please note that any registrations received after 11/6 will be referred to the WILDS camp staff directly, and details such as transportation to and from the WILDS, check-in at arrival, and roommate requests will need to be handled by the parents. Due to the growth in the size of our group, we need to stick with this guideline to avoid the confusion late registrations cause. **

One change this year that has come down from the camp is you child/teen can only request **one roommate**. Please make sure your child/teen is aware of this new camp registration rule.

Transportation: Art has made arrangements with the same company as last year to use a bus that he will drive up and back. If you are interested in your child/teen riding up and back with us, please write a SEPARATE check to Lebanon for \$20 per camper, and turn it in with

the other check and form we need by Nov. 6th. Again, this needs to be a separate check from your camp deposit check.

For those of you that have Sophomores, Juniors, or Seniors planning to attend CIT camp, you will work through the camp office directly. You will not need to register or pay the church for any of the camp's fee. We will need to have a check for transportation by Nov. 6th if you are planning on your teen riding UP with us to camp (you will need to bring your CITer home on June 30th) so that we can plan accordingly. Please contact the camp immediately if your teen is interested due to the limited amount of spots offered during CIT camp weeks.

All questions should be directed to Susan Flynt at susan.flynt@lebanonbaptist.org.

Looking forward to another great week at the WILDS!
